### ***What to bring to class***

Please send your child to class with all appropriate shoes (when you have them) and a drink bottle of WATER ONLY. Please do not send food with your child as this makes a mess in the studio. Please have student's hair off their face and **tied back neatly and securely (into a bun preferably).**

### ***Missed Lessons***

It is really important that your child not miss lessons unnecessarily. When your child misses a lesson it not only puts your child “behind” it also means that all the other students are having to relearn steps as we have to teach your child parts of the routine that they have missed out on. This is very tedious for those students that are there every EACH AND EVERY WEEK and is unfair. Secondly, if the whole class is not present, setting placements for lines and partners is very difficult. Students missing consecutive lessons (without extenuating circumstances) will unfortunately be taken out of routines... This will enable teachers to complete dances at a much faster pace.

If your child misses a lesson for whatever reason ***please let your teacher know.***

### ***Costume Payments***

Costume payments this year will be made via internet banking. Payment dates will both be in term 2 (May 18<sup>th</sup> and June 29<sup>th</sup>). Further details will be sent shortly.

### ***Waiting room Etiquette***

As you are aware we are more than happy for parents and siblings to use our waiting area. We just ask that you are mindful of your noise level, we do not allow chairs to be stacked on blocks, furniture is not to be moved and that you clean up your mess when you leave.

### ***Coffee Machine***

Please make use of the coffee/hot chocolate machine as profits from this go towards the academy.

Looking forward to meeting you soon.

*Thankyou*
